

California OES Weather Threat Briefing

Wednesday, February 17, 2021
9:00 AM PST

Day 1 (Wednesday):No significant impacts are expected.

National Weather Service
Western Region Headquarters
Regional Operations Center
Salt Lake City, UT

WEATHER KEY POINTS

02/17/21 - 02/23/21

Wednesday-Saturday

- Periods of gusty winds will continue through late week over the mountains of both northern and southern California.
- The next round of rain and mountain snow will spread into northern and central California Thursday and Friday, tapering to a few remaining showers on Saturday.
 - Precipitation amounts look to be light to moderate, but some locally heavy snow is possible in the far northern mountains.

Sunday-Tuesday

- Warmer and drier weather looks to develop for Sunday through Tuesday, though light showers may be possible near the Oregon border.
